Summary... This is a moving novel about tradition, tea farming, and the bonds between mothers and daughters. A powerful story about circumstances, culture, and distance, *The Tea Girl of Hummingbird Lane* paints an unforgettable portrait of a little known region and its people and celebrates the bond of family.

In their remote mountain village, Li-yan and her family align their lives around the seasons and the farming of tea. For the Akha people, ensconced in ritual and routine, life goes on as it has for generations—until a stranger appears at the village gate in a jeep, the first automobile any of the villagers has ever seen. The stranger's arrival marks the first entrance of the modern world in the lives of the Akha people. Slowly, Li-yan, one of the few educated girls on her mountain, begins to reject the customs that shaped her early life.
